**Appendix J-1  
2018 Mobilization  
Hazardous Waste Disposal Documentation  
Conrail Right-of-Way (AOC 1)  
Remedial Action Report  
PPG, Jersey City, New Jersey**

This appendix includes manifests for hazardous wastes that were removed during soil remediation activities on Conrail Right-of-Way (ROW) (AOC 1), as part of the remediation activities on adjacent PPG Site 107. The total tonnage shown below may be greater than the actual amount of hazardous material removed solely from within Conrail ROW (AOC 1), as several excavation grids straddle Site 107 and the Conrail ROW (AOC 1). Manifests included in this appendix may also include wastes generated during other site activities that are not directly related to excavation that occurred concurrently with remediation.

Profile Number	Profile Name	Treatment, Storage, and Disposal Facility	Loads	Tons
